

My name is James Edward Duncan I was born in Little Rock, Arkansas 1940. I am married to my wonderful wife Judith A Duncan.

I entered the Army in July 1957 and took basic training at Fort Chaffee, Arkansas. Most of my Military career was spent in Explosive Ordnance Disposal. I attended the EOD and Nuclear Weapon course at Indian Head Maryland in 1962. I started my EOD career in the 61st Ordnance Detachment EOD at Fort Sill, Oklahoma in 1962 after completing EOD School. My military assignment was at various EODC and EOD Detachments in the United States, Panama, and Viet Nam. I was assigned to EOD Detachments 61st EOD, Fort Sill, Oklahoma, 184th Ordnance Battalion, EOD Section, Viet Nam, 546th EODC at Fort Sam Houston, TX. 36th EOD Fort Clayton, CZ, 42nd EOD Ft Bliss, TX, 546th EODC at Fort Sam Houston, TX, 52nd EOD Pine Bluff, Arkansas.

I retired from the Army on April 1, 1978, with the rank of Sergeant First Class SFC E7.

After Retiring from the Army, I joined the Louisiana State Police (Explosive Control Unit) after completing the Louisiana State Police Academy. I was commissioned as an Officer to enforce the Louisiana explosive laws and respond to any explosive incident (IEDs, military explosive ordnance, detreated explosives, bomb threats, illegal use of explosives, and arson fire investigation). Worked with US Federal Agencies FBI and ATF on the investigation of theft and illegal use of explosives, manufacture of IEDs and explosives, and arson for profit fires.

After retiring from Louisiana State Police, I joined the US Department of Transportation, Federal Railroad Administration as a Hazardous Material Investigator/Specialist. Enforced the Federal laws on the transportation of hazardous materials and explosives and investigated accidents involving hazardous materials and explosives.

I was a member of the International Association of Arson and Investigators was a board member. Was the IAAI Louisiana Chapter president from 1989 through 1990 and a life Member?

I was a member of the International Association of Bomb Technicians and Investigators for many years and was awarded the Distinguished Service Award from IABTI for Distinguished Service and Outstanding Contribution to the
